Your family and your job depend on YOU to Keep the Garden State Safe

BE ALERT

- Maintain awareness of the location of visitors/vendors.
- Notify authorities of people taking unauthorized pictures or asking questions about operations, security, etc.
- Watch for and report signs of tampering with equipment, feed/food, water, product, buildings, and utilities.

BE SECURE

- Limit access to, and secure, entrances when not in use.
- Maintain up-to-date inventories, especially on hazardous and perishable materials. Investigate discrepancies immediately.
- Keep vehicles and equipment locked and keys secured, when not in use.
- Maintain adequate interior/exterior lighting.

BE CLEAN

- Limit access to sensitive areas and enforce visitors/vendors to follow posted rules.
- Keep chemicals and hazardous materials separate from consumable products. Secure and restrict these areas.
- Follow sanitary practices to eliminate the spread of disease. This applies to people as well as vehicles, equipment, animals, plants/crops, if applicable.

NOTIFY / CALL

- If you suspect <u>suspicious activity</u>, notify your Supervisor to call:
 9-1-1
 - o 1-866-4-SAFE-NJ
